Dress for Six Flags

- Hats and sunglasses are allowed.
- TENNIS SHOES ONLY. There will be a lot of walking.

Tips for Six Flags

- Bring sunscreen.
- Drink lots of water.
- There is free water at certain restaurants.

Meals at Six Flags

- One meal will be provided.
- All other food/drinks will need to be purchased with their own money.
- The cost for a cheeseburger, fries and a drink will be around \$10.

Park Information

- All bags are searched at the entrance gates.
- No outside food or drinks are allowed in the park. You will have to throw it away. I have seen them do this, leave all snacks on the bus.
- **The band department and MPMS are not responsible for any items being damaged, lost, or stolen on this trip.**
- **Any illegal activity on this trip will result in immediate and permanent removal from the band program.**
- Students must stay with their groups of 4 at all times. Failure to do so will result in a 1 hour suspension with a chaperone.

Chaperones

- **Each student will be assigned to a specific chaperone. The students will meet with that chaperone at 2:00 by the El Sombrero. DO NOT BE LATE.** Any student who is late will sit out for an hour with the chaperones.
- There will always be a chaperone at our check in point and if students have ANY issues they are to go there and the directors will be notified.
- Treat our chaperones with respect. Without them we would not be able to go on a fun trip. Thank them for all their help!

Buses

- Each student is responsible for signing **themselves** to a bus list.
- Sign up for a bus only once. If you make a mess on the list we will place you where we want.
- Do not erase anyone's name or we will assign you a seat.
- You must ride that bus to and from Six Flags.
- Snacks will be allowed on the bus, but please only bottled water to drink.
- We usually make a bathroom stop on the way home. This stop is to use the restroom ONLY. There will not be any snacks or drinks purchased at that time.
