These lessons are a great opportunity for your student to reach his/her musical potential. These scholarships will be paid directly to the Private Lessons teacher and not to the student or parent.

I, the parent or guardian of, _____, understand that if a Private Lessons Scholarship (partial or full) is granted, my child will agree to remain enrolled in the band program for the remainder of this school year and next school year. If my student is a senior, that student is expected to remain enrolled during the current school year. Also, we agree to fully participate in the band fundraisers.

The student must not be ineligible more than one six week grading period while taking lessons or he/she will forfeit the scholarship.

Should the student withdraw from band or be removed for behavioral reasons, the parent agrees to repay the band the amount paid by the Band or Boosters for the student's cumulative lessons.
